

A Year of Rest

"The spirit of the man still lives, reflected in each of us.....inspiring us to reach farther and strive harder.....to be more than we ever dreamed we could be"

STEVEN W. REICHERT MEMORIAL FOUNDATION

Tears of Hope

As Steven's parents, we don't need to tell you how important it has been to be able to be a part of a foundation that helps so many people in need in our son's name. In our eyes, everything the Foundation does keeps his memory alive and well in so many people's hearts and minds. In these hard times, the Foundation has stepped back a little because we know it is not the best time to have

you bombarded with golf outings, dinner dances, etc. All families have a different set of priorities during these difficult days but we also know when times get better we can count on so many of you to participate

again in our Foundation's cause. We hope to see you next year at the Cubs outing and that you continue to be a part of us for another 10 years. We wish you all a very healthy, prosperous and happy holiday season.

Thank you all so much,

Bill & Gerry Reichert

Board Member Highlight by Walter Burrell

Over the last ten years, the Steven Reichert Memorial Foundation has had the privilege of touching the lives of many people that needed financial help during a difficult time. As a board member, I am humbled by the stories that I read each month, humbled by the courage of the individuals whose lives have been turned upside down by a tragedy or hardship. And I am thankful for all of you who have supported the work of this foundation, which was created out of our own personal tragedy.

Throughout the years, many of you have participated in our various fundraisers, and through your generous donations and gifts you have been able to come alongside individuals and families and offer support. I am

certain that Steve is proud of what this foundation has been able to accomplish in such a short time.

Sadly, the needs of families are more prevalent now than ever before. We receive numerous requests for help, and we are committed to carrying on Steven's name by offering support to individuals and families, now and well into the future. The Steven Reichert Memorial Foundation will continue to put together events that give individuals a way to remember a true friend, to have a good time with old and new friends, and to offer hope to families in need.

Being a part of this foundation has been one of the most gratifying experiences I have had. I want to thank each and every one of you for your continued support, and I look forward to seeing you in 2011 at one of the foundation's up-coming events. Have a blessed and safe holiday season.

Cubs Game 2011

We are currently planning our annual Cubs Outing for Summer of 2011. We are looking for Sponsors and Raffle Gifts for our event. Since many companies plan early in the year on where they will donate their money, we are hoping you will set aside a contribution to our "Cubs Outing Event"

If you have an item you would like to donate for the raffle portion of our post

game party, please contact Dena Reichert at 708-373-5501 or to QueenDena@comcast.net.

Further information on the Cubs Event will be posted in our Spring Newsletter with a ticket order form and sponsor information.

Looking forward to a wonderful event.

Steven W. Reichert Memorial Foundation—Holiday Giving

As you may have noticed, the SWR Memorial Foundation did not host an annual major fund raising event this year. Instead, we have chosen to keep the fanfare to a minimum and, this year we ask you for assistance in our simple, but still powerful, fundraiser.

Won't you consider giving to our Holiday Drive? Please assist us in making this a wonderful Holiday for those who are not so fortunate.

Did you know that \$.97 of every dollar you donate goes directly to families and children in need in the Chicagoland area who are suffering from sickness or a tragedy? We have been committed for 12 years to keeping our expenses very low in order to give very graciously.

All donors will be listed in a special Newsletter Report to follow in the Spring of 2011.
